HAYNES BRIDGE MIDDLE SCHOOL

MI/MO Program News

Teacher Talk:

Hi Parents!

We are very excited to welcome you back for our 2013-2014 school year. We hope everyone has had a great summer and is ready to hit the ground running with some fun and engaging learning for all of our students. We would also like to make a few formal announcements of some big changes that have happened to our program over the summer. Sadly we did lose one of our teachers Sarah Babcock, who moved to Athens to pursue a PhD in Special Education. On the flip side we have gained a new member of the team, Anita Hilpertshauer, who brings a lot to our program in terms of training, experience and skill set. Anita has a Masters of Education in Multiple Disabilities and has worked in Special Education classes in Fulton County for the last 7 years. She will be joining our team this year as our 6th grade case manager. Another important move in our program was made when Mr. Greb took over as Mi/Mo's transition specialist and 8th grade caseload manager. We are very excited for the new changes this year and look forward to providing an amazing learning experience for your children.

Parent Reminders:

- Make sure you receive a 2013-2014 **Supply List** so that your child can be prepared on the first day of school. If you did not receive a hard copy, our list can be found electronically on our **website** under our parent page & blog.
- Regularly check your students **lunch accounts** to ensure a **positive balance**
- Make sure you have your **notarized affidavit form**, **6th grade updated immunizations form** and ensure correct **address and phone number** are provided to your school.

Exclusive interview with ...

Lauren Brouger- Occupational Therapists

Q: What are you looking forward most this school year?

A: "I am really excited to meet our new 6th grade class and see all our returning students' smiling faces. We have some great things planned this year and some amazing opportunities for student learning." - Ms. Brouger
