# MI/MO Program News

### Teacher Talk :

Hello Parents,

March is an exciting month for us here at HBMS. This first week of March we have been celebrating Exceptional Children's Week and we have nominated three of our very own students to represent our program in the school wide "YES I CAN" Awards. From 6<sup>th</sup> grade we have Michael Maya-Hernandez, 7<sup>th</sup> grade is represented by Bradley Barnett and 8<sup>th</sup> grade by Olivia Miranda. All three of these students are representing their grade levels as exceptional standout students in their classes.

Other exciting news in the month of March includes our service trip to the senior center. Our students have been vigorously preparing for their performance in their adaptive music classes. They will be performing three songs including one with instruments known as boom whackers. We are very excited for what's in store this month.
