HAYNES BRIDGE MIDDLE SCHOOL

MI/MO Program News

Teacher Talk:

Hi Parents!

We are very excited for our last month of the 2012-2013 school year. We have a lot of fun activities planned and some special dates for you to know. We started the month of May with a great opportunity to learn about mammals, reptiles, amphibians and birds on our PetCo field trip. The PetCo Staff gave a great presentation and the students all had a good time. Another highlight this month falls on May 15th. We will be holding our annual Haynes Bridge Idol that date! All of the students have worked very hard in preparation for this event and we are so excited for their big debut. Lastly, on May 23rd we will be recognizing our departing 8th graders with an 8th Grade Awards Ceremony in the Gym. All 8th grade parents are welcome to attend.

Parent Reminders:

- Help your children fight the Flu/Noro Virus by donating **Disinfecting wipes** and **Kleenex**. These are of critical need in the classrooms and any donations would be greatly appreciated.
- Regularly check your students **lunch accounts** to ensure a **positive balance**
- **Practice reading, writing** and **math** with your student over the summer. Continual exposure and repetition are vital ingredients for student growth and skill retention. **Thank you for all of your support from home! –Mi/Mo Staff**

Exclusive interview with ...

Scott Greb

Q: Do you have any big plans for the summer break?

A: *"I do. I am really looking forward to my trip to Costa Rica. I plan on collecting many cultural artifacts and pictures to use in my Social Studies Class. I am also very excited to work as the director of a brand new summer camp for middle school students with disabilities!"- Mr. Greb*

Student Spotlight

Madison Hicks:

Madison is being spotlighted for Altruism. Madison is always helping her classmates and lending a hand to her teachers. Madison also encourages her classmates and frequently complements them on a job well done. "Students like Madison really help to create a positive learning environment for their classmates." – Mrs. Babcock
